

REMARKS

Claims 1-15 are pending in this application. Claims 1, 3 and 5 have been revised. Claims 1, 3, 5 and 6 are independent.

Claims 1, 3 and 5 were objected to on grounds those claims use "capable of" language. Solely in the interests of expediting prosecution, and without conceding the correctness of the alleged ground of objection, claims 1, 3 and 5 have been revised to attend to this point. Accordingly, favorable reconsideration and withdrawal of this objection are respectfully requested.

Applicant respectfully submits that all outstanding objections have been addressed and are now overcome. Applicant further submits that all claims pending in this application are patentable over the prior art. Accordingly, favorable consideration and prompt allowance of this application are respectfully requested.

No fees are believed to be due in connection with the filing of this paper. If, however, the Commissioner deems any additional fee(s) to be now or hereafter due in connection with this application, authority is given to charge all such fees to Deposit Account No. 50-4019.

In the event that there are any questions, or should additional information be required, please contact Applicant's attorney at the number listed below.

Respectfully submitted,
